For further information please contact your local Sirmax Group contact.

IMPORTANT NOTE:

The present declaration does not apply to materials containing post-consumer recycled plastic like any "GREEN" SIRMAX[®] grade, NewPlen[™] and NewTen[™] grades. For further information please contact your local Sirmax Group contact.

However, our products are not tested to check any possible presence of the substances mentioned above since this testing process is not a standard procedure within Sirmax SpA, therefore the presence of trace amounts in the product(s) coming from raw material impurities, from the process or as adventitious contaminant cannot be excluded.

Disclaimer:

This declaration applies only to the composition of granules and may not be extended to end products obtained by any modification of the composition, any processing conditions which could lead to deteriorated material or improper use of granules.

This information and our technical advice - whether verbal, in writing or by way of trials – are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved.

Our advice does not release the user from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses.
